## Mr Bridge's update

### Learning Updates

Good Afternoon All,

This week as a group of Teachers we met and went through lot of the children's book. It is wonderful to see the improvements in handwriting, spelling and general expectations of themselves in their learning. It was really enjoyable to see such progress.

### PTFAs

We know that as our time is so squeezed it is a challenging time to support and be a part of our PTFAs. Therefore please keep an eye out for a date where all PTFAs can meet to discuss how we can make progress going forward to support the children in our schools.

### Attendance

I hope that the attendance letter was clear and explained the changes we are hoping to make to make life easier coming into and enjoying school. For Black Torrington pupils this will also mean that school will be open five minutes earlier at 8.35 to enable them to enjoy breakfast in school before travelling to Highampton.

## Reminders

KS2 have an upcoming trip to the Exeter RAMM museum - please keep a look out for this consent and payment.

We are still on the look out for one more school governor. If you are interested please get in touch!
